

Your Comprehensive Health Care Benefit

We have you covered!

All eligible employees have access to a full spectrum of affordable options to meet their unique health care needs.

They will automatically receive the Health Access Benefit for themselves at no cost to them. They may also elect to add medical cost sharing and a traditional health insurance plan.

Health Access Benefit – for Everyone

This benefit is funded by the employer for all eligible employees and provides access to quality care that is both affordable and convenient. They can add family members and pay for those via payroll deduction.
